Get health updates on your loved one in a COVID-19 hospital.

**Now, it's just a click away.**

The service is available in all COVID-19 hospitals under the Government of West Bengal.

The health status update of your patient on your mobile phone through OTP cuts out the wait and gets you the latest status immediately.

### How this works

1. Visit [www.wbhealth.gov.in](http://www.wbhealth.gov.in)
2. Click on 'Know your Covid Patient Status' link
3. Enter the mobile number registered at the COVID-19 hospital
4. An OTP will be sent on that mobile number
5. Enter the OTP and get the status

Already existing mobile services for COVID-19 patients

Regular SMS to relatives from hospitals on patient health status

Video call with patients from the hospital bed

## Safe Homes\_Kolkata, North 24 Pgs, South 24 Pgs

COVID positive patients who are either asymptomatic or showing mild COVID symptoms, with no breathing trouble and comorbidities (such as COPD, high pressure, cancer, diabetes, heart or kidney related issues, hypertension) are advised to stay in home isolation by following MoHFW and WBHealth guidelines. During home isolation, patients must stay in separate rooms and use separate toilets, in order to avoid spreading of infection into their family members and surrounding people. Patients should remain under the supervision of physicians and may regularly check their blood oxygen saturation (SpO<sub>2</sub>) level using pulse oximeter (if possible). In case, they cannot avail separate room/toilet facility, they may go to 'Safe Homes'. All Safe Homes provide facilities such as ambulance service, nutritious food supply, regular health check up by physicians, regular monitoring of SpO<sub>2</sub> level, collaboration with hospitals where the patients will be readily transferred in time of emergencies.
